

The Apache

Bedrooms: 1

Bathrooms: 1

Square Feet: 1200

A spacious and well designed lodge to afford maximum living area and still able to accommodate six persons in the Smokies.

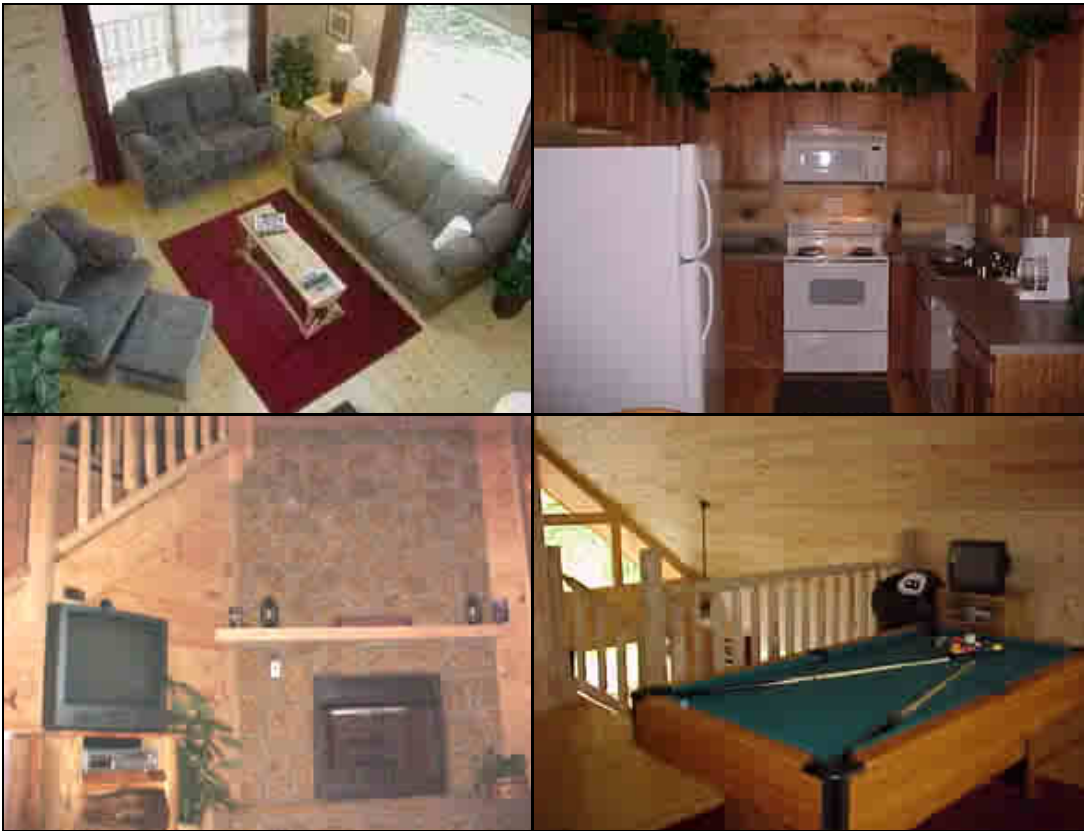

The separated kitchen design is unique in rental cabins and has plenty of counter space.

An impressive living area is open and large enough to comfortably accommodate both a sitting area and a pool table.

Upstairs, a loft offers easily sufficient space for an extra bedroom.
